

## WHY SHOULD A STUDENT JOIN FIITJEE KUKATPALLY CENTRE?

**For Class X (Going to Class XI) - PINNACLE TWO YEAR Integrated Classroom Program for IIT-JEE, 2015**

**FIITJEE KUKATPALLY CENTRE** began in 2007 mainly to provide quality education along with all round growth of the student community. Kukatpally Centre is located in a cool, calm place away from busy traffic which is conducive for learning of students.

- ✓ **Personalized Attention** - Kukatpally Centre is consistently working on improving the academic performances of the students by providing individual attention to the students. Our classroom strength is only **30-35** which help us in concentrating on each and every student and analyzing their performances quite regularly. A separate record of each student is maintained, in which what the student is doing in college each day. The steps suggested by mentor for his improvement and how far they are successful etc are maintained. Regular Pinnacle Classes are from **7:00 am to 2:30 pm** followed with DCS.
- ✓ **Doubt Clearance Sessions (DCS)** - Kukatpally Centre is unique in its conduction of DCS for the students. All the students have DCS after the classes, in the presence of faculty who have taught them in classes (i.e., from **2:30 pm to 4:30 pm**).
- ✓ **Concept of Mentor** - Set of **15-20** students are allotted to a mentor who will monitor and take care of all the requirements of the students. The mentors also provide suggestions for the students how to improvise their performance and they will also act like a catalyst in the transformation of the student from a good to an excellent student. Student progress in each weekly test is closely monitored and steps for further improvement are suggested. The mentor helps in effective use of students' time in study hours (i.e., from **5:00 pm to 8:00 pm**).
- ✓ **Daily Targets for Students** - Each student has been given a daily target along with his weekly plan of all subjects. His/her mentor takes care of each student in study hour till they complete the work that has been allotted to them.
- ✓ **Preparation for various Exams** - We prepare our students not only for IIT-JEE and other Engineering Exams but also for SAT (*Scholastic Aptitude Test for admission in US University*), Olympiads, KVPY, NTSE, NSTSE, etc.
